### ATTENDANCE

It is expected of parents to notify the Aftercare Teacher if your child will not be attending Aftercare.

### COLLECTION

It is expected of parents or the responsible person to report to the Aftercare Teacher when collecting their children at the end of the day. This is especially important if children are collected earlier than usual. The Aftercare Teacher must be notified if someone different than usual will be collecting a child.

**All parents are responsible to sign the attendance register when collecting their children**

### LUNCH

Please pack a healthy lunchbox, fruit and water for your child to enjoy at lunchtime.

### HOMEWORK

Primary School children will do their homework at Aftercare. It is however the responsibility of the parents to ensure that homework has been completed.

### EXTRAMURAL ACTIVITIES

Children who attend extramural activities must report to the Aftercare Teacher before they leave, as well as when they return from their activities.

### GROUND RULES

**Children may under no circumstances leave the school grounds.**

Children may only play in the designated Aftercare playground area. It is important that the Aftercare staff members are aware of the children's whereabouts at all times. Children are not allowed to play within any of the classes.

### NEATNESS AND CLEANLINESS

The neatness of our school buildings and grounds are very important to us and we expect the children to respect that. Play areas and rooms where they were active must be left neatly.

### AFTERCARE FEES

Please consult the current fee schedule. Fees will be billed and payable on a monthly basis.

### MEDICAL

In the case of an emergency, it is very important for us to have the contact details of your doctor and medical aid (see application form). Should your child use any medication or suffer from any allergies, please notify the Aftercare Teacher accordingly. Please ensure that the time of dosage for medication is indicated precisely.

### PROPERTY

It is the responsibility of the child and parents to ensure that the child's school case, clothes and other property are taken home every day.

### DISCIPLINE

We try to encourage a relaxed, homely environment wherein your child can function. We must however, to the benefit of your child, also maintain discipline within the Aftercare. The rules of the Aftercare will be explained to the children and it will be expected that they adhere to it at all times.
