

PERMISSION FORM FOR USE OF PHOTOGRAPHS
FOR ALL PARENTS AND GUARDIANS

18th March 2016

Dear Parent/Guardian,

During the school year we take photographs of the children at school events, outings and festivals for our records as well as for publication in our school newsletter, the Weekly Update and our school's Facebook page. Work is being done with the development of a new generation website and we particularly require your permission to feature photographs on this forum. Occasionally our school pictures may be included in articles in the local newspapers or educational magazines to promote our school.

We request your cooperation in helping us highlight the good work and effort of our students, teachers and school community. Please complete the section below and return the form to the school office.

Please tick one:

- I give permission for my child to be photographed and permission to have my child's name printed.
- I give permission for my child to be photographed, but do not want my child's name printed.
- I do not want my child photographed and do not want his or her name printed.
